Pupil

Charter

Be the same with me

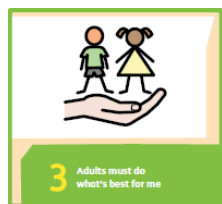

Give me time to think and answer

Let me communicate in my own way

Give me choices and let me say no

Remember to let me know what is happening

Talk to me and explain things in simple and age appropriate words

Do not talk over me unless I am in the quick conversation

Let me help you by allowing me to be independent

Think about how you can make Five Acre Wood easy for me to access

Let

me

communicate

without

interrupting

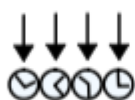

Ensure

I

am comfortable

Always

give

me

privacy

and

dignity
