9 May 2019

Dear Parents/Carers,

Prader Willi Syndrome Awareness Day at Five Acre Wood School – Friday 24th May 2019

Prader Willi Syndrome is a rare genetic disease affecting 1500-2000 people in the UK. The Foundation for Prader Willi Research UK would like to raise awareness of Prader Willi Syndrome. We would therefore like to ask for your support on Friday 24th May 2019, by sending your child into school wearing something orange for the day. We are not asking for donations, just for your support. Further information about Prader Willi Syndrome can be found on the following website: <https://www.fpwr.org/gb>.

Please do not hesitate to contact your class teacher if you have any questions.

Kind regards,

Tim Williams
Head of School (Primary)
