## Massive thanks to...

Turning 18 in lockdown isn't much fun... thanks to **Sarah Hindmarsh** who hand delivered birthday cards to make students' birthdays extra special.

**Keith Terry** has been busy at the Snodland site to welcome students when they come back... the building has had a brand new coat of paint! Thanks Keith.

Do you want to thank someone who has given the 'extra acre'?!

## In case you missed it

We have been feeling really appreciated by our wonderful Five Acre Wood community. We have received many emails, phone calls, Facebook messages and notes expressing gratitude - we particularly loved this "sketch" by Charlie Mackesy sent in by one of our parents. **#TogetherStronger**

## SPOTLIGHT

Each week we find out how members of our Five Acre Wood Community are getting on.

## This week the spotlight shines on Site Team: keeping the school going!

Sean, Simon, Lee and Keith

**What are your new challenges?** A lot of our outside support contractors have currently closed at the moment.

**How are you addressing these challenges?** We have been doing a variety of tasks from filming Tik-Tok's to carrying out our usual maintenance and sanitising duties; we have tried to keep things as normal as possible. We are currently painting the hall at Loose site so it will be clean and bright for everyone to come back to.

**Do you have a lockdown top tip?** Stay positive, support each other and remember this won't be forever. Look to the future and to better times ahead; stay safe everyone.

**FAMILIES:** Please remember to keep in touch with your class team. Talk to them about any challenges you're having in any of our four important areas
