

Ash class are a class within the Formal learning approach based at Snodland. There are 14 pupils and 4 members of staff. Pupils work in similar ability or mixed ability groups, depending on the lesson or task.

Each week the class move around the school to different Teachers and classes to participate in specific lessons of maths, English, creative arts, PE, science, PSHE, IT, humanities. Twice a week they develop their preparation for adulthood in their form group, learning skills like cooking, employment, independent living and healthy living. We try to focus on building confidence, teamwork and social skills.

Working together with parents is important and we encourage parents to engage with us and the learning process by regularly reading at home, supporting homework and regular contact via the class Teams page. We operate an 'open door' policy and the staff team are happy to speak with parents/carers by phone, through email or on Teams to discuss any matter.
