

Ashwood class is within the Functional learning approach. There are 10 pupils in class.

Our learning takes place within the community, preparing for our Post 19 pathways. The curriculum we follow includes Tutsham Farm, Communigrow, site work in the Outdoor Learning Environment at the Loose Site, maintaining an Allotment, going out into the community, looking at budgeting, food shopping and Mini-Enterprise lessons and going to Cyclopark.

Pupils follow ASDAN accreditation in Personal Progress and PSD. Ashwood, Birchwood and Hazelwood classes merge together to enable the pupils to work in small groups to access all activities.
