

Beetle class is within the Early Years Foundation Stage. There are 10 pupils and a staff team of 4; a Teacher, a Senior Teaching Assistant and 2 Teaching Assistants.

We like to explore the world around us. We follow a TEACCH approach which includes 1:1 work, group work, workstation, leisure and outdoor learning. We like to check our schedules so that we know what is coming up next.

In Beetle class we enjoy engaging in messy play, Attention Autism, sensory exploration, Tacpac, curiosity, mark making and sensory circuits.
