

Cherry is a Key Stage 2 and 3 class within the Formal learning approach. This year we have 17 pupils between the ages of 10 and 12, supported in class by a Teacher, a Senior Teaching Assistant and 3 Teaching Assistants who love to have as much fun as our pupils. We enjoy spending both our learning and playtimes together and making new friends.

Cherry class are working on developing their independence. We enjoy working on literacy and communication skills, as well as our maths and problem solving skills. We work hard to understand our emotions and are learning new strategies to cope when we find things tricky.

Our PSHE curriculum enables us to gain valuable life skills and to work on building relationships and personal care, as well as our fine motor and sensory needs. In class we love using our imaginations and being creative. We also enjoy going outside for PE and love to visit the trim trail, sensory garden and yard.
