

Cricket

Cricket class is within the Early Years Foundation Stage learning approach. We have 11 pupils in Reception and Year 1 together with a Class Teacher and 3 Teaching Assistants who help structure our day and support us in having lots of fun!

This year we will be developing our curiosity, practical and sensory play. We love to get messy, explore our surroundings and build positive relationships with one another.

There are many opportunities for us to develop our social, emotional and communication skills within the classroom, outdoor areas and den.
