

Hawthorn is a happy, friendly, key stage 1 and 2 primary class within the Formal learning approach and is based at our Loose site. In class there are 16 pupils aged between 6 and 9 years old, supported by a Class Teacher, a Senior Teaching Assistant and 3 Teaching Assistants.

Hawthorn class pupils work on developing independence, communication and problem-solving skills, during PSHE sessions, topic, English and mathematical challenges. Gathering together on the beanbags for a shared story is a favourite activity of ours.

Recognising our emotions to aid our readiness for learning is a key part of our day. We love the outdoors and enjoy regular visits to Apple Tree Yard, Forest School and the sensory garden.
