

Oakwood are a sixth form class within the Functional learning approach, based at our Oxford Road site. There are 15 pupils in class, aged between 16 and 18 years old. They work on English and maths skills from Entry Level 1 to Level 2 and BTEC Levels 1 and 2 in cooking and healthy eating skills, BTEC level 1 in art, animal care, grounds maintenance, business studies and sport.

During ASDAN Employability sessions, pupils learn how to look after themselves, shop and cook. They also learn how to create CV's, apply for work experience and how to find a job.

Pupils are encouraged to be responsible for their own actions and they participate in problem solving activities.
