

Robin class is within the Practical learning approach. We have 8 pupils in our class. To support the learning in class we have a Teacher, a Senior Teaching Assistant and 2 Teaching Assistants.

During this school year, we will access a wide range of community experiences such as shopping, café visits and leisure visits. Some of our pupils are in year 9 and are working towards ASDAN life skills accreditation in these areas. We will also be learning through a wide variety of engaging sensory and practical opportunities that support us to develop our communication and interaction.

We are a busy class and love to be 'hands on' in our learning. We use all of our senses when we explore activities. We are starting the school year by exploring the theme 'all about me', followed by a variety of different topics that will help us to learn about the world around us.
