Personal items and belongings from home

Dear Parents/Carers,

There have been a few occasions where pupils have had items in their possession that are not needed for their school day or unsuitable for the school environment and / or other pupils.

Please can I ask for your continuing support of the whole school community in ensuring your child attends school with only their required belongings. If you wish to clarify any individual arrangements, please discuss with your child's class teacher in the first instance.

Kind regards

Emma Athwal
