

Bluebell class is within the Sensory learning approach. There are 10 pupils in class, ranging from year 7 to year 11. To support the learning in class, there is a Teacher, a Senior Teaching Assistant and 3 Teaching Assistants.

During this school year, pupils will access a sensory curriculum in the subject areas; My thinking, My communication, My independence, Me & My community, My body / Move. Pupils in year 9, 10 and 11 work towards ASDAN life skills accreditation in these areas.

Bluebell class pupils will be learning through a wide variety of engaging sensory opportunities that support them to develop their communication and interaction. They love to be 'hands on' in their learning and use all of their senses when they explore activities.

Pupils will start the year by exploring the theme 'Autumn.' They will be exploring this topic in fun and creative ways that supports them to develop their curiosity and engagement.
