

Welcome to Applegate class. There are 13 pupils in class with ages ranging from 6-8 years. Pupils are supported by a team of 5 adults, including a Class Teacher, a Senior Teaching Assistant, 2 Teaching Assistants and a Cover Teaching Assistant. Applegate class pupils love to learn through role play, games and real world contexts.

In the Practical learning approach, we learn through real-world experiences and structured play. Where possible, we try to relate the learning to each child's individual experiences and our teaching approaches reflect the learning styles of all pupils in our class.

This year we will be exploring a variety of topics including; minibeasts, all about me, celebrations and the world above me. We look forward to utilising the amazing resources and opportunities available to help embed this learning, including cooking sessions, the farm yard and our forest school area.
