

Carroll is a Key Stage 2 class within the Formal learning approach. We are based at the St Katherine's Primary School site with 2 year 7 classes. This year, there are 14 pupils in class who are between the ages of 9 and 11. They are supported in class by a Teacher, a Senior Teaching Assistant and 2 Teaching Assistants ,who love to have as much fun as the pupils.

Pupils enjoy spending their learning and playtimes together and making new friends. Carroll class are working on developing their independence. They enjoy working on literacy and communication skills, as well as maths and problem solving skills. Pupils work hard to understand their emotions and are learning new strategies to cope when they find things tricky.

The PSHE curriculum enables pupils to gain valuable life skills and to work on building relationships and personal care, as well as their fine motor and sensory needs. In class, pupils love using their imaginations and being creative. They also enjoy going outside for PE and love to visit the trim trail, sensory garden and the yard. Pupils enjoy going on trips in the local community and using their skills in real life situations.
