

Hawking are a year 10 class, based at our Snodland Site. The class is within the Formal learning approach. In class there are 16 pupils and 3 members of staff. Pupils move from class to class for their subject lessons: English, maths, science, humanities, IT, creative arts, technology and PE.

This year pupils will have the opportunity to gain qualifications in maths and English and to begin to work towards Arts Award and BTECs. They will be exploring life skills through Preparation for Adulthood classes. Life skills are an important part of the curriculum with regular trips to spend planned budgets on shopping, cooking simple meals and visiting our allotment.
