

Welcome to Murray class. We are a class within the Practical learning approach with 11 pupils. The adults in our class consist of a Teacher, a HLTA and 2 Teaching Assistants.

In the Practical learning approach, we learn through real-world experiences and structured play. Where possible, we try to relate the learning to each child's individual experiences and our teaching approaches reflect the learning styles of all pupils in our class.

Over the year, we will focus on a variety of topics starting with 'all about me'. We will then be moving on to topics such as 'celebrations' and 'the world above me'. All of our learning forms a basis to promoting independence, life skills and social interactions. We hope to be able to embed this learning through accessing the wider school environment and taking trips out into the community. Murray class are so looking forward to the year ahead!
