

Simmonds class has 9 pupils with ages ranging from 6 -7 years. The staff supporting the pupils in class are a Teacher, a Senior teaching assistant and two Teaching assistants. Simmonds class are within the Practical learning approach.

The focus of our learning is to increase pupil independence and start the foundation for this, so that they can increase this throughout their time at Five Acre Wood School. In Simmonds class we provide encouragement to pupils in order to increase their confidence in their learning, so they can take pride in their achievements. We provide them with support and opportunities to try new things, to enable them to reach their full potential.

Pupils will be engaging in activities such as cooking, horticulture, art, topic and PE as well as literacy, phonics and numeracy. There will be visits to the school farm and pupils will be engaging in forest school sessions. Simmonds class pupils love to be outside and engaging in the world around them.
