

Adlington class is within the Practical learning approach. There are 9 pupils in class with ages ranging from 11-13 years.

Throughout the year we focus on a range of personal and educational skills with in-class learning, engaging in our amazing school Outside Learning Environment and through accessing the community. We work upon literacy and numeracy skills daily, with pupil specific learning in tailored lessons, along with accessing a range of inclusion activities with other classes including Trim-Trail, PE and the Games Bus.

Pupils will work on a range of skills by accessing the community for shopping, cafe trips, educational and reward trips. Self-care is a particular focus for Adlington class pupils. We work on cooking, PSHCE and social understanding, with a focus upon independence as the pupils approach adulthood.
