

Beckham class is a practical key stage 2 class, which has 9 pupils. The adults in our class consist of a Class Teacher, and three Teaching Assistants, all of whom are passionate about helping pupils to learn.

In the Practical learning approach, we learn through real-world experiences and structured play. Where possible, learning relates to each child's individual experiences, whilst our teaching approach reflects the learning styles of all pupils in our class.

Over the year we will focus on a variety of topics starting with 'My home'. In term two we will be focusing on celebrations. In term three we will learn about our community and people who help us. Our focus in term four is 'Let's go wild' followed by Mythical beasts in term five. In term six we will learn about international explorers.

All of our learning forms a basis to promoting communication and interaction, independence, creativity and curiosity, life skills along with social interactions. We continue to embed this learning through accessing the wider school environment and taking trips out into the community.
