

Carroll is a key stage 2 class within the Formal learning approach. We are based at the St Katherine's Primary School site with our 2 other primary classes. This year we have 13 pupils between the ages of 9 and 11, supported in class by a Teacher, a Senior Teaching Assistant and 2 Teaching Assistants who love to have as much fun as our pupils.

Pupils enjoy spending both our learning and playtimes together and making new friends. Pupils are working on developing their independence. Pupils enjoy working on literacy and communication skills, as well as maths and problem-solving skills. They work hard to understand their emotions and are learning new strategies to cope when they find things 'tricky'.

Our PSHE curriculum enables pupils to gain valuable life skills and to work on building relationships and personal care, as well as fine motor skills and sensory needs. In class pupils love using their imaginations and being creative. They also enjoy going outside for PE and love to visit the trim trail, sensory garden and local environment. Pupils enjoy using the onsite swimming pool, going on trips into the local community and using their skills in real life situations.
