

Holmes class is within the Practical learning approach and consists of 10 enthusiastic pupils. To support their learning, the class team includes a Class Teacher, a Senior Teaching Assistant, a Teaching Assistant, and a Cover Teaching Assistant.

Throughout the academic year, pupils will have the opportunity to take part in a wide range of community experiences such as shopping trips, café visits and leisure activities. These valuable experiences help pupils to build independence and confidence in real-life situations, particularly in areas such as handling money and developing social skills. Pupils in Holmes class will be working towards the ASDAN Life Skills accreditation in these areas.

Pupils will engage in a variety of sensory and 'hands-on' lessons, including Forest School and Tessellation Dance to support their personal and social development. Holmes class are a busy and active group who thrive on practical learning and enjoy exploring activities with all their senses.

This year, pupils will begin by exploring the theme "All About Me", before moving on to a variety of exciting topics connected to the world around them.
