

Marley class is within the EYFS learning approach. There are 10 pupils in class with ages ranging from 4 to 6 years. They are supported by 3 members of staff. We follow the Early Years approach and are inspired by the Curiosity Approach.

This year we will focus on communication and building relationships with both adults and peers and promoting independence. This will be done through play and through following the TEACCH approach to learning.

We enjoy spending time at the outdoor areas including; Saplings, the sensory garden, the field and our class outside area. Accessing the outdoor environment facilitates further learning and helps to develop curiosity of the wider world.
