

Murray class is within the Practical learning approach. There are 10 pupils in our class who are supported by a Class Teacher, a Senior Teaching Assistant and a Teaching Assistant.

During this school year, pupils will access a wide range of community experiences such as; shopping, café visits and leisure visits. Pupils will also be learning through a wide variety of engaging sensory and practical opportunities that support them to develop their communication and interaction.

Murray class pupils enjoy being 'hands on' in their learning and using all of their senses when exploring activities.
