

Potter class consists of 4 members of staff and 15 year 2 and 3 pupils who are aged 6 - 8 years. Potter class pupils have a love for learning. We are within the Formal learning approach and our learning is linked to the National Curriculum for England.

We engage in phonics and maths activities every day. These may be written, songs, active or online. During the year we will learn about ourselves, our school and the local area, as well as finding out about places further afield including China. Our learning is through play, sensory activities and digital platforms, as well as read and writing.

We love to talk to people and find out about the world around us. We also learn about road safety, keeping ourselves safe when we meet new people and being safe online.
