

Joyce class is based at our Snodland site. We are a year 9 class within the Secondary Formal learning approach. There are 16 pupils and 4 staff members in the class.

This year we will continue to transition around the school to work with different teachers in different subjects. In Preparation for Adulthood sessions, we will be learning how to cook a variety of meals, how to decorate, how to do gardening and we will be taking part in various volunteering opportunities, including working on the FAWrient Express.

Pupils are learning about themselves and what they need to learn. They consider their wellbeing and the wellbeing of others in the class, the school year and the school.

Pupils enjoy active learning, participating in quizzes and taking on challenges. They enjoy welcoming visitors and having opportunities to showcase the school.
