

Picasso class has 8 pupils, a Teacher, a Senior and 3 Teaching Assistants. We are a class within the Sensory learning approach as we learn well in a multi-sensory environment.

The core of our daily routine is developing our skills in 5 key areas which are ; My Body, My Communication, My Thinking, My Independence and Me and My Community. All Activities we participate in are differentiated holistically to each pupil's needs and abilities.

Our mornings consist of individualised annual review targets and physio input and our afternoons are filled with enrichment, such as cooking and art and sensory experiences. Some of our favourite things to do in class include; music and movement, sensory stories, visits to the OLE Forest School for 'Explore a Sense' sessions and sensory immersion. We aim to achieve personal targets every day alongside having a lot of fun in the process.
