

Strauss class is a key stage 2 class within the Structured learning approach and is based at the Loose site. We are a class of 10 pupils aged between 8 and 10 years, who are supported by a Class Teacher, Higher Level Teaching Assistant and 2 Teaching Assistants.

Pupils follow the TEACCH programme of structured learning through their daily rotations. Strauss class are language partners, communicating through single words, phrases and simple sentences supported by visuals and routine. Recognising our emotions to aid readiness for learning is a key part of our day. We love the outdoors and practise transitions on regular visits to the field, Trim Trail, Forest School, Soft Play and the FAWrient Express.

Inclusion sessions with our Structured peers, cookery sessions and shared play are important events in our week, as we engage and develop friendships with those around us.
