

Verdi class is within the Structured learning approach. There are 12 secondary aged pupils in class who are supported by a Class Teacher, a Senior Teaching Assistant and a Teaching Assistant.

Pupils follow the TEACCH approach. This includes a 1:1 activity where pupils work on developing a new skill, an independent workstation activity, a group work activity and a leisure period. We incorporate pupils' specific targets taken from their EHCPs into our learning.

We will cover a wide range of topics this year, to prepare our pupils for adulthood. This will include; cooking skills, work experience, community safety, independent living and travel safety. We are keen and enthusiastic about our learning in Verdi class and are very much looking forward to the year ahead.
