Subj: Parking during drop-off and collection

Dear Parents and Carers,

I am writing to ask for your support regarding parking and considerate behaviour when dropping off and collecting pupils from the school site.

As you will be aware, parking around the site can be particularly busy at the beginning and end of the school day. Zeroth Gym has a number of parking spaces specifically allocated for use by its gym members. **These spaces are not available for use by Five Acre Wood families or staff and must be kept clear at all times.**

We have recently been made aware of some difficult interactions involving members of our school community and users of the gym in relation to parking. This is disappointing to hear and does not reflect the standards of courtesy and respect that we expect across the Five Acre Wood community.

We would therefore ask all parents and carers to:

- Please do not park in any spaces allocated to Zeroth, including during drop-off and collection times.
- Please ensure that these spaces, and access to them, are kept clear at all times so that gym members are able to use them when required.
- Please park only in appropriate areas and follow any guidance provided by school staff regarding parking and access.
- Most importantly, please ensure that all interactions with gym users, local residents, staff and other members of our community remain polite, courteous and respectful, even at particularly busy times.

We have reinforced exactly the same expectations with all members of staff working at the site.

Thank you, as always, for your understanding, consideration and support.

Yours sincerely,

Tim Williams
Headteacher (Loose Site)
